

# THE PROMISE

From the day **God first redeemed our marriage**  
and gave us **our home**,

we knew it was meant to be used for **ministry**

We've hosted **marriage groups, coaching, baptism  
celebrations**,  
and opened our home to **serve others**

In late 2022, God impressed on both of us—  
individually—  
that He was calling us to **expand what He had  
entrusted to us**

We did not fully understand it  
but we **held onto His word—trusting His will**

# THE PROCESS: HOW IT ALL BEGAN

January 2023 — our neighbor passed away

We didn't expect  
this promise to begin unfolding this way

What began as a potential transaction  
became a transformative **relationship**

We've walked closely with the living sister—  
**serving**  
**supporting**  
**and loving her well**

# THE MIRACLE WITHIN THE PROCESS

Through our relationship,  
**she encountered Jesus again—  
saving her soul**

A battle with Stage 4 breast cancer unfolded—  
**and her life was saved**

What we thought was  
The acquisition of a property  
**God intended for so much more**

**This has never been about a house  
This is about lives and souls  
saved and transformed**

# GOD MADE A WAY

Through relationship  
and our **steadfast belief in God's promise,**  
**a creative structure was accepted**

And in **2024 — we became the owners**

**Not just a transaction—  
a God-ordained transfer**

# PROVISION & BREAKTHROUGH

**June 2024 — we closed on the property**  
But the home was **unlivable**  
and we had **no way to use it**

One year later — **May 2025**  
**God provided a Private Money Lender**  
to fund the **full gut renovation**

Today, we are stepping into the next phase—  
**refinance to repay**  
and **fully establish this home for ministry**

# KINGDOM BUILDERS: A COLLECTIVE EFFORT

We are deeply grateful for  
**the people God has surrounded us with**

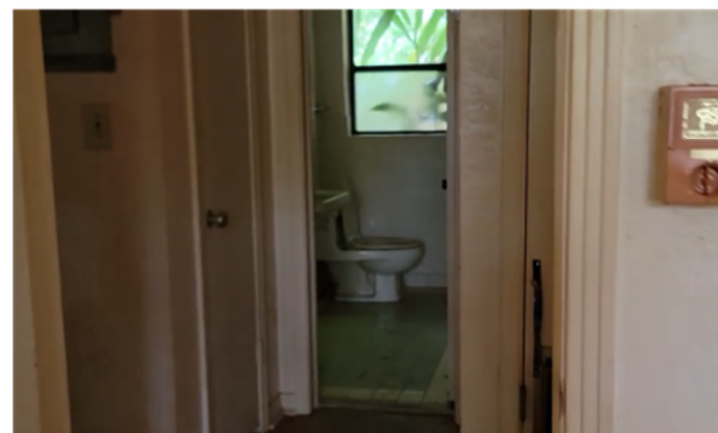

Those who **have served, built, and labored**  
Those who **have gave—some even without being known**  
Those who **have prayed and stood with us**

Through this process, God is showing us  
**the strength, generosity, and faithfulness of His people**

**This has never been ours alone**  
**and we know He will continue to build it through His people**

# RENOVATION: FROM DESOLATION TO LIFE

From desolation → to restoration

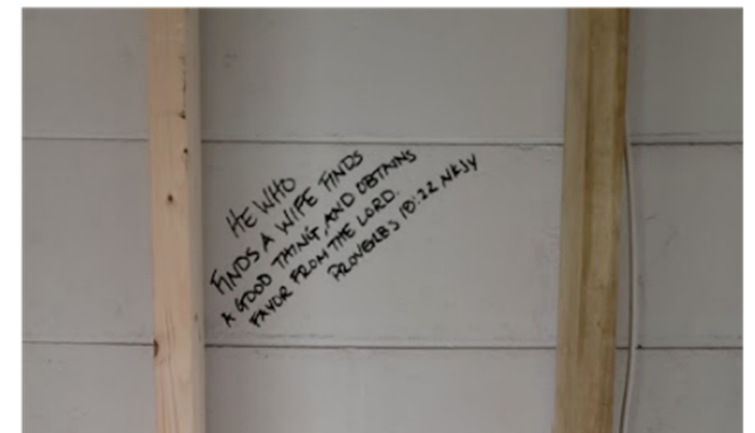

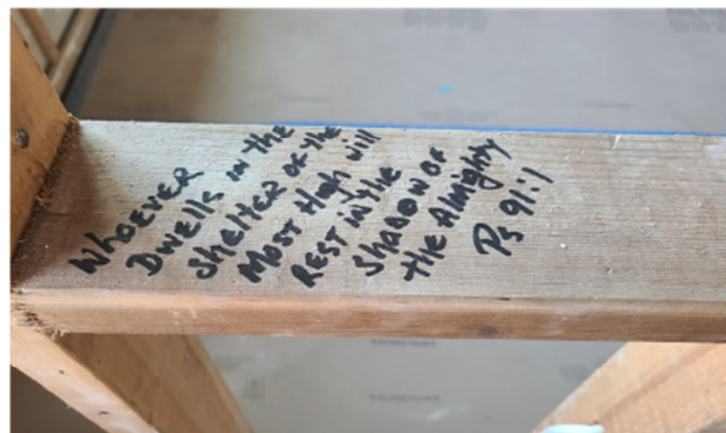

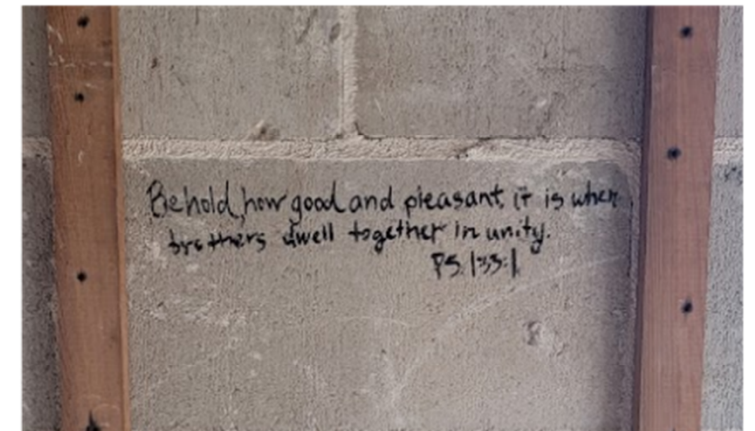

# RENOVATION: FROM DESOLATION TO LIFE

What was once broken

# RENOVATION: FROM DESOLATION TO LIFE

Is being rebuilt for God's glory

# WHY THIS MATTERS
