

WIFE'S AFFIRMATIONS

I listen to and give honor to my husband's ideas
I show my husband respect in all things
I am patient and understanding
I enjoy spending time with my husband
We make setting aside time to be together a priority
Life does not get in the way of our love
Our love grows enormously over time
We sustain a happy, healthy relationship
I take time to see things from my husband's point of view
Our relationship gets stronger every day
I pay attention to my husband's needs and fulfill them as his wife
Our marriage is a blessing to us and to those around us
